PRESIDENT'S
WELCOME MESSAGE

Dear Esteemed Colleagues, Surgical Fraternity & Delegates,

It gives me immense pleasure and honor to extend a warm and cordial invitation to all of you to SSBCON 2026, the Annual Conference of the Surgical Society of Bangalore (SSB), being held on 21st and 22nd November 2026 at the historic Hotel Capitol, Rajbhavan Road, Bengaluru.

Our conference theme for this year, "Skill, Scalpel & Beyond" with the tagline "Bridging Operative Mastery and Future Breakthroughs," reflects our commitment to evolving surgical care. While our foundation remains rooted in fundamental operative precision and sound surgical ethics, we are rapidly moving into an era transformed by minimal access advancements, robotic precision, digital health, and artificial intelligence. SSBCON 2026 has been curated to bridge this gap—offering a dynamic blend of high-definition master video sessions, thought-provoking debates, guest lectures by surgical stalwarts, and prestigious awards celebrating innovation and lifelong academic contribution.

Whether you are a seasoned consultant, an innovator, or an energetic postgraduate resident, this conference promises two days of rich scientific discussion, mentorship, and invaluable camaraderie.

Experience Vibrant Bengaluru in November

Late November brings crisp, pleasant weather to Bengaluru—the Garden City and tech capital of India. Beyond our academic halls, we invite you to experience the city's unique blend of heritage and modernity, from the majestic Vidhana Soudha and Bangalore Palace to the vibrant energy of City's night life and local culture.

Join us for two days of scientific exchange, innovation, and warm camaraderie.
